## PROGRAM INFORMATION

### Kinder Soccer:

The Kinder Soccer program is limited to children entering Kindergarten in September 2019. The program runs for about 8 weeks with hour long Saturday sessions beginning the weekend after Labor Day. Each Saturday clinic is run by professional trainers. Volunteer coaches aid the trainers in conducting soccer drills and organizing the children. Tee shirts and soccer balls are provided. The program is an excellent opportunity for parents to learn more about soccer and to become involved in their child's play from the start. Parents should volunteer at this level if they plan to coach or assistant coach in the upper soccer divisions. The clinic is designed not only to teach the children the basics of soccer, but also to train parent coaches' proper coaching techniques.
