Register Now for 2019 7U Highlands Travel Baseball

Program info below and at www.HighlandsTravelBaseball.com

Please see an [age chart](#) or [age calculator](#) as needed.

The 7U program typically corresponds to those in 1st grade, but it is based on birth date. Due to the rules of the league we join, we allow kids in 1st grade who are technically 8U to play "7U". *But the following year they will be required to play 9U (skipping 8U).* As such, we recommend kids who are 8U to play 8U. Similarly, kids who are in kindergarten, but are specifically 7U (not 6U) may play 7U.

Please note in order to be eligible for Travel baseball, **one also has to register and participate in Recreational baseball.**

If you previously registered your child for 7U travel while registering a sibling you are all set.

Registration will be open until April 20, 2018, after which there will be a \$50 late fee.

The 7U Highlands Travel Baseball program consists of a practice schedule beginning in May transitioning to a Summer game season. The expectation is to have the team participate in the NEBAS baseball league (unlike the older age groups who traditionally participate in NJSBL) and enter the 7U/8U Coach Pitch division. This division only exists in the Summer and is in contrast to the 8U Kids Pitch division. Last year's template was 2 games a week for 5 weeks (10 games), running mid-June to mid-July. Most of the practices will occur in May and early June, 1-2x a week, with a prospect of some additional hired training scattered in. "Tryouts" are anticipated

for late April/early May and are mostly designed to help ensure balanced teams and safety of the kids. Uniforms and helmets are included for all participants (**see below**).

Note: Information on days of the week for practices/games is not available in advance.

7U Assessment & Uniform Fitting

The 7U Tryouts are tentatively set for **Sunday, April 28th**. More information will be forthcoming.

Kids are expected to bring baseball appropriate gear – pants, hat and a glove.

Following the tryout we will have a quick uniform fitting (jersey, pants hat and helmet).

Formed in 2017, Highlands Travel Baseball encompasses all 4 towns comprising Northern Highlands Regional High School – Allendale, HoHoKus, Saddle River and Upper Saddle River.

We encourage parents to volunteer as a coach, assistant coach, team parent and helping with the field maintenance. Donations are welcome - we are a 501c3 nonprofit organization.
