

# USR RECREATIONAL SOCCER PROGRAM

## FALL 2019

### General Information

The USR Soccer Program is a volunteer-led recreational program sponsored by the USR Recreation Commission and is open to town residents and town employees. Depending on age group, children are exposed to local or travel games and each age is supplemented with professional clinics.

### Grades 1&2 Registration Information

Register your child TODAY online at <https://sports.bluesombrero.com/ursoccer>

**Cost per 1<sup>st</sup> and 2<sup>nd</sup> child is \$150 (Late fee after August 1<sup>st</sup>)**

Grade level is based on enrollment for Fall 2019.

You will need to create an account if it's your first time registering a child for USR Soccer.

The maximum total fee per family is capped at \$350, although *this does not apply to late registrants*.

***During Registration, we ask you to identify whether you can volunteer. We are always looking for and in need of head coaches, assistant coaches, board members, and general volunteers.*** Experience is helpful but not required, so please strongly consider volunteering. Basic requirements are needed for coaching, like fingerprinting and safety certifications through Rutgers.

### Grades 1&2 Program Information

At the 1<sup>st</sup> and 2<sup>nd</sup> grade level, children are still getting familiar with the sport, and the goal is to reinforce many of the basics. Games have referees, are run in a 5v5 format with substitutes, and are scheduled in an intramural fashion within USR (usually behind Reynolds School) – no travel. Game play is instructional with one coach per team allowed to walk around while instructing players. Weekly games are supplemented by organized clinics run by professional trainers. Additional team practices are scheduled and conducted by the volunteer coaches and assistants. The season begins on the Tuesday after Labor Day, September 2<sup>nd</sup>, and runs through the final game on October 26<sup>th</sup>.

**Game shirts, shorts, and socks are provided.**

***Parents should purchase shin guards & cleats and should ensure the child has a size #3 ball.***
