The USR Soccer Program is a volunteer-led program sponsored by the USR Recreation Commission and is open to town residents and town employees.

Depending on age group, children are exposed to games within USR or in nearby towns; each age is supplemented with professionally run clinics. Schedules and time commitment vary depending on age group, but the program is open to:

**K (and pre-K 2017 birth year) through High School.**

Registration costs are discounted when registering multiple children.

**Avoid the late fee and sign up now.**
