*Communication*

**FILE COPY**

**MEMORANDUM**

**To: Linda Marmora - Upper Saddle River Planning Board**  
**From: Chief Patrick Rotella**  
**Reference: 80 Lake Street LLC**  
**(Block 1005, Lot 1)**  
**Date: June 29, 2021**

I have reviewed the letter from Mr. Jaworski, the planning board application, photographs and interior sketches you provided for the dwelling located at #80 Lake Street in the Borough of Upper Saddle River. Following a review of these items, the Police Department, at this time, does not have any further comments related to this application. Whether the structure is deemed a two family or single-family dwelling there does not appear to be a negative effect on traffic safety in the area.

As always, thank you for advising the Police Department of this project and allowing us to have input on this application.

Contact me if you should have any further questions.
